Tour itinerary notes

While our intention is to adhere to the day-by-day itinerary as printed below, a degree of flexibility is built in. Overnight stops may vary from those suggested and on occasions alternative accommodation, of a similar standard to that named below, will be used.

Tour Guide

Our guides are a key strength, chosen for their knowledge of and passion for the areas in which they work. All of our guides are carefully hand-picked, and are not just passing through these countries, but are usually locally born. Unlike some companies it should be noted we do not send a guide or tour leader from Undiscovered Destinations in the UK as we have every confidence in our locally appointed representative who is responsible for operating the tour on our behalf. Where possible you will have the same guide throughout your trip but on occasions it may be necessary to change the guide at one or more points during the tour.

Important Information

Foreign Office Travel Warnings

Before booking your tour, please familiarise yourself with the country specific information provided by the UK's Foreign, Development and Commonwealth Office (FCDO) - <https://www.gov.uk/foreign-travel-advice>.

Rediscover the
meaning of travel

This includes important information such as latest immigration requirements, and details of any travel advisories.

At the time of writing the FCDO does not have any warnings in place against travel to the areas we visit on this tour. Non-UK nationals should check with their own government, as the information and advice may differ to that provided by British authorities.

Accommodation and Meals

Hotel Check-in Times

As a general rule most hotels will allow guests to check-in from 2pm. Please note that the price of your tour does not include guaranteed early check-in. Therefore please advise us if you would like to ensure that your room is available for an earlier arrival. This is particularly relevant on the first day of the tour and for early morning arrivals. One option is to pre-book and pay for an extra night at the beginning of your tour which will guarantee your accommodation is available irrespective of what time you arrive. Please contact us for information and costs.

It should also be noted that on many of our tours we have set-aside Day 1 of the itinerary as an 'arrival day'. For this reason and because tour participants are likely to be arriving at different times, and often from different countries, guided sightseeing or other activities are not included. If you are arriving early or before the start date of the tour and would like to organise some extra arrangements on a private basis please contact us.

Accommodation Rating

The accommodation on this tour is mostly in comfortable lodges. With the exception of Dzalanyama Forest, where there are two rooms with shared bathroom and toilet facilities, you can expect your rooms to be en suite with private facilities. In general you will find your lodge has a restaurant and/or bar.

We welcome solo travellers and single rooms will be allocated subject to the applicable tour supplement. Please note that on occasions you may not always be allocated a double or twin room, as some hotels have designated single rooms. These may be smaller in size. However, the supplement payable takes this into consideration.

Food & Drinks

The daily meal basis is shown in the tour itinerary; breakfast (B), lunch and dinner (D). Please note that lunch may be a picnic. Drinks are not included and will be payable locally in cash.

Dietary Requirements

If you have any special dietary requirements you must notify us at the time of booking. While we will make every effort to cater for you, we cannot guarantee that this will be possible.

Budgeting for your Tour

You will need some extra money to cover meals and drinks not included in the tour price, any optional sightseeing, souvenirs and items of a personal nature such as laundry.

Food

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch £10.00 / Dinner £20.00

meaning of travel

Drinks

The prices for drinks can vary greatly depending upon location and the prices detailed below are an average guide. In general you would expect that drinks purchased in a supermarket or local bar to be less expensive, whilst drinks in an upmarket bar or restaurant may be more expensive.

Bottle of Beer £1.50 / Water £1.00

Tipping – Guide and Drivers

Although entirely voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow US\$ 100 for tipping.

Foreign Exchange

ATM Availability: Available Lilongwe but only limited amounts of local currency can be withdrawn at one time

Credit and Debit Card Acceptance: Very few places outside main cities will accept cards

Local Currency: Malawi Kwacha

Recommended Currency for Exchange: We recommend taking your money in US\$ cash (only accept post 2006 US\$ notes). Avoid the lower and higher (US\$1, 5 & 100) denomination notes, as they are difficult to change. Please note that it is difficult to convert local currency back to US\$'s so please ask your guide for guidelines on how much to exchange.

Where to Exchange: Your guide will advise you.

Flight Information

Our advertised prices do not include the cost of international flights. Please contact us if you would like a quotation to book a 'flight inclusive' package. Your flight inclusive package will be fully protected by the Civil Aviation Authority (CAA) ATOL protection scheme.

Joining your Tour Abroad

Customers booked on the 'Land Only' arrangements will receive a free airport transfer, both on arrival and departure. In order that the transfer can be arranged please ensure that you advise us of your flight information once available. Please advise the date, time and flight number for your arrival/departure. If we have not been advised of this information at least 2 weeks before travel, then you will be required to make your own way to the hotel on Day 1 of your tour. Please meet your guide in the bar/restaurant area of the Mafumu Lodge at 18:00.

Travel Insurance

It is a condition of booking with Undiscovered Destinations that you have adequate valid travel insurance. It is your responsibility to arrange appropriate travel insurance and ensure you have read and understood the full terms and conditions of your travel insurance policy to ensure that you are covered for all activities you intend to undertake whilst on the tour, including all optional activities. Your Insurance Policy must fully cover you for medical expenses and emergency repatriation to your home country and be valid for the entire duration of your holiday.

Other nationals should check the latest requirements with the authorities in their home country, or with the destination's nearest embassy or consulate.

Should you require any documentation to support a visa application, such as a letter of invitation, upon request this will be provided by Undiscovered Destinations after receipt of your balance payment.

As it is the travellers' responsibility to ensure that they meet all entry requirements it is essential that you check the rules and any other conditions at the time of booking and again when making your balance payment. In addition, we would strongly advise that you make a final check around two weeks before your arrival. This is important as requirements can change at short notice. Undiscovered Destinations, when possible, will provide guidance about entry rules, but in the first instance please contact the relevant authorities, including the applicable embassy or consulate for assistance.

Passports

It is your responsibility to ensure that you are in possession of a full passport, valid for at least six months after the date of return to your country.

We strongly advise that your passport contains a minimum of two blank pages, as this may be a requirement of the local immigration authorities. In addition certain countries will stipulate that the two blank pages are opposite each other. If you are unable to meet these requirements you may be refused boarding by your airline or denied entry by the immigration authorities.

For specific information about the requirements for your destination please check with the country's embassy or consulate. Alternatively UK citizens can visit www.gov.uk/foreign-travel-advice.

Vaccinations & Protection

We strongly recommend protection against malaria, hepatitis A, typhoid, tetanus, diphtheria, and polio. Malaria is present in the region so consult your travel clinic for latest advice on different prophylaxis available against malaria. Yellow Fever: required if you are travelling through a country or arriving from a country with risk of yellow fever transmission. Bilharzia: The existence of bilharzia has been reported in certain areas of Lake Malawi. Please be aware that if you choose to swim there may be a risk of contracting bilharzia.

We strongly recommend that you contact your doctor's surgery or a specialist travel clinic for up-to-date information, where you likely be advised to take protection against malaria, hepatitis A, typhoid, tetanus, diphtheria, and polio.

The legal status and regulation of some medicines prescribed or purchased in your home country can be different in other countries. If you're travelling with prescription or over-the-counter medicine, read this guidance from NaTHNaC on best practice when travelling with medicines. For further information on the legal status of a specific medicine, you'll need to contact the embassy, high commission or consulate of the country or territory you're travelling to.
